

# Downtown Circulator Fact Sheet

## Greensboro Transit Authority and City

The Greensboro Transit Authority (GTA) and the City of Greensboro are studying the feasibility of a rubber-tire trolley in downtown Greensboro, and we'd like to know what you think! But first, here are some quick facts about what the trolley could look like and what services it would provide in downtown Greensboro.

### What Would It Look Like?

- ▶ Replica design of an old-fashioned trolley car or branded bus.
- ▶ Color scheme would be compatible with downtown characteristics.
- ▶ Open-air or air-conditioned.
- ▶ Rubber-tire vehicles.
- ▶ Wheelchair-accessible.

### How Would It Work?

- ▶ Would travel on same streets as automobiles.
- ▶ Routes would be short with a high frequency of service.
- ▶ Would obey same traffic signal system and speed limits as automobiles.
- ▶ Trolley stops would be located at popular destinations and/or attractions.
- ▶ Could also have stops at businesses, shops or locations that help fund the operation of the trolley.
- ▶ Could connect with the Depot.
